SELECTMEN'S REPORT

1987 was a very busy time in the Selectmen's office. It seems that the paper work just increases every year. The legal aspects of the office also seem to have become more complex, the complaints varied and many, and the request for services were higher than ever.

The first year of our five year plan for improving the operations of the Town was very successful:

1. Highways:

- a. Completed the 2nd phase of improvements to the Pond Road approximately 1600 ft.
- b. Resurfaced Malcolm Drive, Hallwood Drive and a portion of Old Walpole Road.
- c. Graveled and resurfaced the circle at end of Hallwood Drive.
- d. Shimmied the upper section of Joslin Road using our own equipment.
- e. Continued the ditch work on Old Walpole Road.
- f. Purchased road sweeper.
- g. The highway employees once again did a good job on summer and winter maintenance.

2. Computer System:

- a. The Selectmen would like to thank Ainslee Phillips for his efforts on behalf of the Town in researching the purchase of our computer and we also want to thank Ainslee and Paula Lorette for many hours donated in getting the computer into operation.

3. Lower Pond Road Washout:

- a. After waiting most of the summer and fall, we received an answer from state officials concerning repairs. We were informed that we would not be receiving any funding, so we have included a request for an appropriation to make needed repairs if the Town wants to see this road open.

The Board of Selectmen would like to thank all those who served the Town during the past year, office holders, board members, firemen and other volunteers.

The Board of Selectmen would like to recognize Cal Frink for his dedicated service to the Town as Town Moderator, Shirlee Crotto for her many years of service as Trustee of Trust Funds.

ABOUT YOUR FIRE DEPARTMENT

1987 proved to be a year of varied challenges. The Fire Department responded to a variety of fire calls including chimney and brush fires, and also saw an increase in the emergency medical and accident calls. Because of the increase in medical calls the Department has been improving its medical response equipment such as the addition of a suction unit and associated equip.

There were some major equipment repairs including repair to the transmission on 30M2 and replacement of the tires on 30M2 which was necessary because several tires evidenced tread and casing failure.

The Department sponsored several fund raising activities including sale of a Surry Cook Book, two chicken barbecue events, a firewood bee, and pancake breakfast which we are again providing on March 27th from 8 - 10:30

The members hosted a Halloween Party again this year and also are the sponsors of a new cub scout pack started this year.

We are always seeking new members of varied backgrounds to provide us with new ideas and support for our community goals.

In closing the Fire Engineers wish to take this opportunity to thank all the members for their efforts and professionalism this past year.
